STUDENT CHAPTER
California State Polytechnic
University, Pomona

A Message To Our Sponsors

Dear Prospective Sponsor,

The Department of Civil Engineering at Cal Poly Pomona is a leader in polytechnic education, where hands-on learn-by-doing is the foundation of a broad-based educational experience. The department has the largest undergraduate civil engineering program in the United States and produces approximately 15 percent of young civil engineers in California. The civil engineering department offers the civil engineering program, with options in general civil, environmental, and geospatial engineering, and the construction engineering and management program.

An important event for the department is the Annual CPP CE Alumni Golf Tournament founded by professor Emeritus Donald G. Wells, PE, MS. Affectionately known as "Water Wells", he was a leader in the environmental and water resources group within the Cal Poly Pomona Civil Engineering Department. Wells was actively engaged in student extracurricular activities and served for many years as the faculty advisor for the CPP ASCE Student Chapter. This event supports our fundraising efforts to continue creating ongoing opportunities for student development.

Your support, whether through monetary donations or simply by spreading the word would be greatly appreciated. Join us March 15, 2024 at the Anaheim Hills Golf Course in supporting these driven students to excel, inspire, and contribute to the field of civil engineering and the Legacy of Donald G. Wells.

Sincerely,

CPP ASCE Golf Planning Committee

Thank you

We are thrilled to extend our deepest gratitude to you on behalf of CPP ASCE for your exceptional generosity and kindness in supporting the Cal Poly Pomona ASCE Student Chapter. Your contribution holds immense value to us, and we are genuinely appreciative of your dedication to our mission.

With your benevolent financial contribution and moral support, we are excited to make an impactful difference throughout the year. It is your support that allows us to bring our vision to life and provide valuable opportunities to our student members. Once again, thank you for supporting us and investing in the growth of the Cal Poly Pomona ASCE Student Chapter.
